Shelly Kapfhammer of xACSIA Partners Insurance Agency Offers Free Talks on a Hot Topic, How to Pay for Long-Term Care When Public Programs Won't

Local groups and organizations may request a talk by Kapfhammer, a long-term care specialist.

Newport Beach, CA May 28, 2015 – Today xACSIA Partners Insurance Agency announces the availability of Shelly Kapfhammer as a speaker on the topic of long-term care funding. Kapfhammer is prepared to address any group on how to cover the care expenses most longer-living Americans will incur at some point.

xACSIA Partners Insurance Agency is one of America's largest and most experienced insurance agencies specializing in long-term care financing through a variety of means including but not limited to long-term care insurance.

What are the odds of needing long-term care some day? How much does it cost? And how can you pay for it when government programs fall short or don't apply in your case? These questions will be answered by Kapfhammer, a long-term care funding specialist with extensive training and experience.

Events planners in CA or anywhere in America may request a talk by Kapfhammer or a fellow specialist Kapfhammer recommends. "Any organization may request a speech, question-answer session, or workshop," says Kapfhammer. "It can be a local club, religious organization, association, or other group -- even a few friends concerned about the issue."

Local companies and human resource departments may also request presentations; in their case, the emphasis will be on workplace issues related to long-term care needs that affect job focus.

To date, most of xACSIA Partners Insurance Agency' educational outreach has been through alliances with benefit brokers serving the nation's largest employers. "For some time we've been running programs for big corporations and associations," says Kapfhammer. "Now we're reaching out to smaller companies and local groups as well."

Shelly Kapfhammer is a leading long-term care solutions agent serving consumers and organizations in AZ, CA, FL, SD. "We're glad to help them find the best, most affordable solution for their situation," Kapfhammer says. "In addition to long-term care insurance, today's options range from critical illness insurance to annuities and life insurance with LTC riders."
